

MATTHIAS RAMIREZ

GAME & WEB DEVELOPER

PROFILE

I'm a BS Information Technology graduate passionate about crafting interactive and visually engaging digital experiences. At Wishcraft Group of Companies, I bring ideas to life as a Game Developer and Web Front-End Developer, blending creativity and functionality through thoughtful UI/UX design.

EXPERIENCE

GAME & WEB DEVELOPER

Wishcraft Group of Companies

May 2019 - Present

- Began as a Game Developer, developing interactive games for both on-ground and online events. Transitioned into Front-End Development, and now manage and build website front-end projects.

FREELANCE WEB DEVELOPER

Bragais Shoes

Feb 2023 - July 2023

- As a Freelance Full Stack Web Developer, I developed a Development Monitoring and Inventory System to track Bragais' shoe production and stock levels.

GAME DEVELOPER INTERN

Wishcraft Group of Companies

2018 - 2019

- Started in November 2018 as an intern, assisting primarily in Game Development while also training in Website Design and Development.
